have formed an organization called the Northern Mileage Ticket Bureau for the purpose of issuing and selling and properly accounting for an interchangeable thousand mile ticket differing from the form of ticket issued by the Central Passenger Association, and possessing the following features:

It is good for passage upon any regular passenger train (excepting limited trains) of any and all the lines parties to this agreement, upon presentation to the conductor of the train, on compliance with the reasonable provisions of the ticket required for the purpose of identification.

It will be sold to the public at all principal ticket offices of lines parties to this agreement, for the sum of thirty dollars, with rebate of ten dollars after use or upon expiration, upon compliance with the agreement upon which the ticket is issued.

This ticket will be placed on sale February 1st, 1898.

This ticket, of course, can be used only upon the lines of road parties to this agreement, and will be issued in addition to the tickets of the Mileage Bureau of the Central Passenger Association.

The interchangeable mileage tickets issued by the Mileage Bureau of the Central Passenger Association will be accepted by such of the above mentioned lines as are parties of the Central Passenger Association, upon compliance with the terms and provisions of that ticket.

Passengers desiring to hold tickets good upon all of the lines of the Central Passenger Association, can procure such tickets until further notice on the lines of the parties which are members of the C. P. A., but must present and exchange mileage for passage tickets at the ticket office before boarding the train, and comply with all the other terms and conditions of the Central Passenger Association tickets.

### The Grandest Remedy.

Mr. R. B. Greeve, merchant of Chilhowie, Va., certifies that he had consumption, was given up to die, sought all medical treatment that money could procure, tried all cough remedies he could hear of, but got no relief; spent many nights sitting up in a chair; was induced to try Dr. King's New Discovery, and was cured by use of two bottles. For past three years has been attending to business, and says Dr. King's New Discovery is the grandest remedy ever made, as it has done so much for him and also for others in his community. # Now For The Big Cut In Prices!

The backward season has left us with altogether too many goods on our tables and we are forced to make a tremendous sacrifice in order to lower our immense stock. On Saturday, January 8th, 1898, we inaugurate one of the greatest price demolishing sales ever attempted. We mean business! Everything must go. We are bound to lower our stock and have made such enormous reductions in price as to make it impossible for the people to resist the temptation to buy. This great sale will be known as "The Yellow Tag" Sale. We have space to quote only a few of the great array of money-savers.
